<i>Sport</i>	<i>Season</i>
Cross Country Running	September
Volleyball	September – November
Badminton	March – April
Track & Field	May (Sr.), June (Jr.)
Basketball (in conjunction with neighbouring schools)	November - February

The Dewberry School staff welcomes any parents or community members to become involved as coaches for the above sports or any additional ones. Extra volunteer help would indeed enhance the existing programs.

8Yk VYffmGV\cc`9l hfU'7i ff]W`Uf'Dc`]WzE

The staff of Dewberry School believes that in addition to exercise, active participation in sports provides the individual with an opportunity to develop motor skills as well as intellectual abilities. It should foster the development of self-awareness as well as confidence in one's own abilities.

Extra-curricular sports teams are formed for providing athletic experiences for students at the interschool level. As such they are an integral part of our school program and the staff feels a commitment to their maintenance. School teams are organized and coached by staff members or community members on a voluntary basis. Benefits from these experiences should enhance the individual's moral and physical development.

REGULATIONS

- 1) All team attire must be approved by the coach.
- 2) Students must wear clothing which is appropriate to the climatic conditions in which they are traveling.
- 3) Participants must conduct themselves in such a manner so as to enhance the reputation and respect of our school and student body.
- 4) Any student whose academic progress is deemed to be suffering or deteriorating due to participation in extracurricular sports may have the privilege suspended or withdrawn.
- 5) Students will travel to events in transportation arranged by the school, which includes parent volunteers. Students will be allowed to transport themselves only as a last resort, when sufficient transportation is not able to be arranged by the coach. (Parent and Student drivers subject to BTPS Board Policy)
- 6) Under no circumstances will students be allowed to transport other students to school events.

Lockers

Lockers are assigned to students by the school for their use. Lockers are the property of the school board and staff may have access to a student's locker if they feel it is necessary. **The school does not assume responsibility for lost or stolen items from lockers.** Students are discouraged from bringing expensive electronic equipment. Students in Grades 7 – 12 are encouraged to use a lock to help reduce theft and vandalism providing they submit a spare key or a copy of the combination for the lock to the office.

Student Use of School Telephones/Personal Cell Phones

- The school telephones are provided for school business and emergencies.
- Due to the interruptions to classes, parents are requested to limit phone calls to noon time and during breaks. The administrative assistant has been directed to take messages for students and teachers that come into the school during class time. Your cooperation would be appreciated.
- Students are not permitted to use their personal cell phones in class, unless it is for educational purposes or the discretion of the teacher.

Textbook Rentals

The costs of textbook rental are included in the student's annual School Fees. Any textbook or library book, which has been abused, has pages or the cover missing, or has been lost, will be charged to the student. If textbooks have not been returned by September of the new school year, parents will find the charge on their invoice for the upcoming school year.

Regular attendance at school is one of the requirements that make it possible for a student to achieve his or her potential. The responsibility for good attendances rests with the student and his or her guardian/parents. In order to ensure good attendance practices, attendance will be monitored following the provisions in the School Act, Section 13. Parents are responsible for contacting the school if a student will be late or excused. Unexcused absences will be reported home through Synervoice. If attendance becomes a concern, parents will be contacted first by the child's teacher, and if they continue to be an issue, then by administration. In accordance with BTPS Policy 202.1 AP, should students have cases of unexplained absences, suspected truancy, or excessive absenteeism (more than 15% of instruction to date), the principal shall contact the parent or guardian as soon as a pattern of unacceptable attendance becomes evident. Attendance issues could be reported to the attendance officer at the Board of Education should it be a consistent issue, which may result in an attendance board hearing, which can lead to monetary fines being issued.

In order to ensure that our students have a variety of experiences, and to keep students' career options as wide open as possible, students at Dewberry School should enroll in no fewer than 110 credits over a 3 year period. Many students will earn more than this. Current Alberta Learning Funding Policies are in a state of change. In the interim, students will enroll in the following manner;

1. Grade 10 - students must enroll in and carry a full program of 40 credits in Dewberry School, which may include Alternated Delivery Options as outlined under **Policy Regarding Alternate Delivery Options** and approved by the Principal.
2. Grade 11 - students must enroll in and carry a full program of 40 credits in Dewberry School, which may include Alternated Delivery Options as outlined under **Policy Regarding Alternate Delivery Options** and approved by the Principal.
3. Grade 12 - students must enroll in and carry no fewer than 35 credits in Dewberry School, which may include Alternated Delivery Options as outlined under **Policy Regarding Alternate Delivery Options** and approved by the Principal.

· In the event that a student wishes to finish in January, the following requirements must be met:

1. The student must be eligible to earn 110 credits by the end of the Fall Semester.
2. Of the 110 credits, only credits eligible to count toward a High School diploma will be accepted.
3. The student must enroll and carry no fewer than 17 school-based credits during the Fall Semester in Dewberry School, which may include Alternated Delivery Options as outlined under **Policy Regarding Alternate Delivery Options** and approved by the Principal.
4. In order to participate in graduation at the end of the school year, the student must be an active participant in all Graduation Planning and Fundraising activities during the Fall Semester.

Employers and postsecondary institutions are interested in students who go for more than the minimum and this policy helps effect that goal for our students.
