Dear Sir/Madam:

Re: The Miller Thomson Foundation – 2013 National Scholarship Programme

It is our pleasure to announce the launch of the 2013 Miller Thomson Foundation National Scholarship Programme and to advise that our 2013 Application Form will be available for on-line submission commencing on December 1st, 2012. The Miller Thomson Foundation annually awards one-year scholarships of approximately \$3,000 to 100 recipients from across Canada. The purpose of the Foundation is to encourage and promote the attainment of higher education goals for individuals who have demonstrated a high level of academic achievement, have made a positive contribution to their school through extracurricular activities and have made significant contributions of time and energy to community service programs.

The National Scholarship Programme has an overall grade average minimum of 87%. Students who are currently in their final year of high school and planning to attend a post-secondary institution in the Fall of 2013 to pursue a course of study within Canada leading to a degree or diploma from an accredited community college or university are eligible to apply. Students must be Citizens of Canada or permanent residents of Canada. The deadline for receipt of applications is March 1st, 2013 and scholarship recipients are notified in writing towards the end of June.

It is Miller Thomson's desire to make the availability of this scholarship known to as many students as possible across Canada. To achieve this, we are asking for your assistance in distributing this information to the schools in your District within the province. Your assistance would be greatly appreciated.

I can be contacted via e-mail at llawson@millerthomson.com. For more information or to access our On-Line Application Form (effective Dec.1/12), students should visit our website at www.millerthomson.com then link to Miller Thomson Foundation.

Yours very truly,

Lesley A. Lawson
Executive Director
The Miller Thomson Foundation
